

JOZEFIEN TEXT DURING FRATRES / INTRO

I'm not alone, they're coming after me.

I can't speak louder.

Sorry, I didn't count them.

Did you know this?

You have to help me.

I'll tell you everything if you help me.

I remember I was driving,

I stopped. Yes. I parked the car in a gutter.

No. I don't know the way.

I'm telling you the truth.

They pushed me.

They forced me to watch.

There were dogs. Wild dogs.

I couldn't close my eyes.

Yes. Wild Dogs and Abandoned Cars.

A man tried to start the car.

Maybe I know him. I'm not sure.

Yes. There was a television on.

Astronauts came out of the screen.

I am very tired.

The light goes out.

I couldn't sleep.

The stone was warm. It was bigger than me.

It could be a meteorite.

I saw birds circling above. I saw the revolving doors keep turning.

There was no protest at the entrance to parliament.

A baby carriage rolled downhill.

The baby wouldn't stop crying. I was getting really nervous .
Maybe it was my brother's daughter.
My brother has no daughter.

JOZEFIEN TEXT DURING ARINIUSHKA/ BABY DUET

They come in and go out.
Driven by a haste I don't know.
I've never seen anything like this before .
The museum was being renovated and all the artwork had been removed.
There was no one left.

JOZEFIEN TEXT DURING SARAH WAS 90/ SOLO DAPHNE

All the houses seemed empty. All the buildings too.
My home? I don't know.
The grass was too long to be from my house.
All the bicycles were lying on the ground.
I don't remember much anymore.
I can assure you of that.
I've been waiting here for a very long time.
How long have I been here now? A day? A week?
You're going to help me, right?
He promised to get me out of here if I told him everything.

Someone closed the door behind me.
I couldn't see his face.
No. Nobody left me behind.

DAPHNE TEXT DURING DARF ICH/ QUARTET

Still there?
No one else, just me.
No. Not from us.
Never mind... It's not for us.
It's not our house yet.

It is not habitable.

Don't open that door.

Don't go looking for her.

DAPHNE TEXT DURING DARF ICH/ SOLO NICO

The Police.. Where the hell is the Police.

I want out of here.

Where the hell are we?

JOZEFIEN & ASHTON TEXT FOR SUMMA/ TABLE ARMS

J: Have you been here before? Do you know these people?

A: Tell me the truth. Are they people like us?

J: Can you see us?

A: I feel like you're hiding something from me.

J: Whose interest are you here for?

A: Nobody told me.

J: Is my name on the list?

ASHTON LYRICS DURING MY HEART/ END DUET

Listen to me, I don't know what's going to happen.

I'm here near you, I'm with you.

I am like you, they are like us. We are, yes we are.

I'm stuck like you, like you.

Let's wait a moment, someone else is coming.
